

Liste de diplômes délivrés par les collèges, les instituts, les écoles polytechniques et les collèges universitaires qui ont un mandat d'études collégiales

Collèges et Instituts Canada représente 44 établissements conférant des grades, soit 34 collèges, instituts et écoles polytechniques et 10 universités ayant un mandat collégial.

Certains collèges, instituts et écoles polytechniques du Canada offrent des programmes de baccalauréat en plus de leurs programmes traditionnels de un, deux ou trois ans menant à un diplôme ou à un certificat. Actuellement, 34 de ces établissements dûment autorisés par le gouvernement de leur province offrent au total 209 programmes de baccalauréat dans des domaines très divers. Ils augmentent ainsi largement la palette des formations qui répondent aux besoins des employeurs à la recherche des attestations de plus en plus pointues qu'exigent nombre de postes.
